LANGHE MONFERRATO ROERO

*Our hospitality is exceptional*

## The thrill of HUNTING FOR TRUFFLES IN THE WOODS with a Trifolau and his dog

The Truffle is delicacy, enchantment, wonder, aroma and taste, all rolled into one. Who better to narrate the array of emotions the hunt arouses than a Trifolau: a professional truffle hunter? Surrounded by the silence and picturesque settings of the woods, amidst panoramas to contemplate like a palette of ever-changing colours with a multitude of nuances, we reveal the traditions and stories revolving around this precious hypogeous fungus. See the dog at work, understand the training techniques and the relationship of trust with the Trifolau, get to know the trees truffles grow under, learn about the flavours, breathe in the aromas...

Are you ready to let yourself be captivated by the magic of the Truffle?
